Reid,

Sorry, but I have some comments on the BID, though not many. Some changes I made, others you will need to because they require updating dates.

Also, not commented on in the attachment, but there are bolded table numbers on pages 112, 114, 115, and 120 that need to be unbolded.

Beside the bolded numbers mentioned above, changes are made or identified on pages:

1, 2, 3-4, 4, 6, 12, 22, 41, 63

(b) (5) - Deliberative process privilege
